Workshop Check-List: *How Did I Do?*

Workshop Title _____*Making Yourself Presentable*_____

Please use the following check-list to *review your learning experience*. Because this is a personal account of your participation in the workshop, feel free to include "notes to self" along with any objective comments. While you may certainly hand a copy to the workshop instructor, the intended purpose of the check-list is to provide you with an inventory of *your learning* relevant to the workshop.
