

Dear Friends,

Bay Winds North Wind Ensemble of Rockland, Maine, invites you to participate in the 30th Annual R.B. Hall Day, sponsored by Rockland Maine Street, Inc., on Saturday, June 26, 2010, at Harbor Park in Rockland. Penobscot Bay will be the back drop for the day-long event, featuring not only the indescribable music of R.B. Hall, but also an opportunity to experience a taste of Midcoast Maine.

The stage performance area will accommodate two bands, allowing for a seamless transition from one band to another, and will culminate with the massed band performance at a time to be announced.

Food vendors, toilet facilities, and parking will be adjacent to Harbor Park.

Participants are encouraged to visit Rockland Maine Street for other dining options, as well as for shopping specials held in honor R.B. Hall Day. The Farnsworth Art Museum will feature an R.B. Hall exhibit for the month of June. As you see, the City of Rockland is especially proud to host this 30th Anniversary of Robert Browne Hall, Maine's own "March King."

Due to a mandatory liability insurance required by the City of Rockland to host this event, a registration fee of \$40.00 per group is requested.

Please complete the enclosed registration form by April 22, 2010, and mail to:

Barbara Hendricks, R.B. Hall Registrar
48 Knowlton Ave.
Owls Head, Maine 04854

Please make checks payable to Bay Winds North.

R.B. Hall informational packets will be sent to registered participants.
Please also check the R.B. Hall website for updated and new information.
